Highlights

Passive noise isolation
The perfect, snug fit inside your ear stops unwanted background noise detracting from the pure pleasure of your favourite music. This means you still enjoy the headphones' superb sound quality at lower volume settings and also benefit from a longer battery life.

Neodymium magnet
Neodymium is the best material for producing a strong magnetic field for greater sensitivity in a voice coil, better bass response and higher overall sound quality.

24 k Gold-plated plug
You can rest assured that the precious metal gold finishing on the plug will give you a more reliable connection for better quality audio.

For optimal fit in all ears

With a choice of 3 interchangeable ear caps from size small to large, there is sure to be a pair that makes these Philips earphones fit your ear perfectly.

Comfort fit
This headphone is designed around the shape of your ear for extra comfort and more enjoyment during longer periods of listening.

Asymmetric cabling system
This simple yet highly effective solution to cable tangling works effectively by enabling you to hang the cable behind your neck instead of under your chin.

Carry case
This case is the most convenient way to look after your headphones and prevent the cable tangling when not in use.

1.2 m cable
The ideal cable length to give you the freedom to put your audio device where you want.
